LuxeLegs

FOR OPERATORS

LuxeNetwork: your affiliates in one group

Save the operators you already trust as a group and send them a job in one step, whatever booking system each of them uses. There is no LuxeLegs fee or commission on LuxeNetwork jobs while you list and sell your empty legs with us.

HOW IT WORKS

1
Make a group
On the Shared jobs page, open LuxeNetwork and pick verified operators.

2
Share a job
Tick one or more groups and add single operators if you like. You set the price.

3
LuxeLegs checks it
Rules and an AI review. A clear job goes live to the operators you chose.

4
A partner accepts
The first to accept takes it, in LuxeLegs, by email, or as a GNet booking.

WHO CAN BE IN A GROUP

Your affiliates and trusted partners
The operators you already pass work to, near you or across the country, from firms with one car to large fleets.

Any booking system, or none
A partner on GNet gets a GNet booking. Other systems connect through our Partner API, and we build new connections at no cost. Or they use LuxeLegs and email.

Private to you
Only you see your groups and their names. Operators are not told they are in one.

As wide as you need
Keep up to 20 groups. Send a job to up to 50 operators, mixing groups and single operators, or offer it to all verified operators.

THE SAME CHECKS ON EVERY JOB

A job sent to a group goes through the same checks as any shared job. LuxeLegs rejects a job priced under £0.55 a road mile, and rules and an AI review look for signs of misuse. Every partner needs verified documents and a checked car of the right class to take it. Passenger name and phone are shown only after a partner accepts.

BRINGING YOUR PARTNERS ON

Partners join free on the Launch plan (£0 a month) at luxe-legs.com/operators and verify their documents. Once they are verified, you can add them to any of your groups. They can also sell their own empty legs through LuxeLegs.

FEES

No LuxeLegs fee or commission
LuxeLegs takes no fee or commission on jobs you share or take while you list and sell your empty legs with us, and nothing when you pay each other directly. On Pro (£99 a month) and Corporate (£299 a month), LuxeLegs pays the card fee where a job is paid by card through LuxeLegs.

Launch (£0 a month)
LuxeLegs pays the card fee if you sold at least £250 of empty legs through LuxeLegs last month. Below that, a job paid by card through LuxeLegs carries the card fee at cost, 1.5% plus £0.20 (£3.20 on £200), split as you choose.

Fair use applies on all plans; see luxe-legs.com/terms.

Sign up, verify your documents and make your first LuxeNetwork group.
